Please note: In order to receive the second child discount, the Primary Child must be a paid student. Second child discount will not apply when the Primary Child is on a scholarship or is enrolled in VPK.

Annual tuition is based on the entire school year. For your convenience this may be financed at 0% interest, to be paid in ten or twelve monthly installments, depending on your summer enrollment. Because the tuition is an annual fee for the entire school year, your monthly rate will be consistent regardless of closures, holidays, breaks or absences. There will be no refunds for days not attended, including absences for illness. In extreme cases, such as hospitalization, makeup days are available on approval.

A two-week notice upon withdrawing your child from the school is required if there is to be any refunding of prepaid tuition. Refunds of annual tuition paid in full will be subject to a 10% administrative fee (based on total annual tuition) for students who are withdrawn during the school year. If the child has not attended for two weeks without notification, his scheduled time may be allotted to the next person on the waiting list. Records will not be released until all monies owed are paid in full.

An annual registration fee and an annual curriculum and supply fee* is required for all children. Tuition is to be paid in advance by the first of each month. **You cannot designate your payment for tuition if other charges exist on your account. Payments received will be applied to invoices in the order that they were charged. A late fee of \$20.00 will be charged to your account if the total monthly tuition is not paid by 4:00 p.m. on the fifth of each month.** If the fifth of the month falls on the weekend, tuition must be paid by 4:00 p.m. on the preceding Friday. If tuition is not paid by the fifteenth of the month, we may ask that you remove your child from the school and you will be required to pay the balance. There will be a \$20.00 charge for any returned checks. More than one check being returned will result in your account being "Cash Only". This document supersedes any previous financial agreements.*

Before and after school care charges are billed per hour on a weekly basis and are due upon receipt. Failure to pay charges by the end of the billing week may result in your child not being admitted to childcare the following week.

**See tuition price sheet for current fees. These fees are non-refundable.*
